EXPERIENCE

Marketing Officer

Aug. 2026 – Present

Knights Design Interactive

Orlando, FL

- Work in a **3-person team** to manage social media presence across various platforms including **Instagram** and **LinkedIn** to promote events, initiatives, and organizational updates.
- Design** and **create** promotional materials and digital content to increase awareness and engagement, with a **34.3%** increase in followers on Instagram.
- Collaborate **cross-functionally** with multiple teams to develop and execute marketing campaigns and promotional initiatives on a consistent schedule.
- Support public relations efforts by maintaining a **consistent** and **professional** organizational image.

Workshop Director

Mar. 2026 – Aug. 2026

Digital Innovation Group at UCF

Orlando, FL

- Organized and directed **hands-on, interactive workshops** about various digital media technologies with **27% member attendance**.
- Created clear instructional materials and visual aids to simplify complex technological concepts that supported participant learning and engagement, with **60% of attendees** reporting they gained new knowledge from the workshop.
- Offered **personalized instruction** for attendees who need additional support in grasping the concepts taught.
- Managed **logistics**; including scheduling, communication, and setup to ensure workshops ran efficiently and as scheduled.

Barista & Cashier

Aug. 2024 – Present

IDrink Boba & Sandwiches

Minneola, FL

- Deliver excellent customer service to customers in a high-volume environment by working in teams to increase customer satisfaction.
- Collaborate closely with coworkers to coordinate drink preparation and cleanliness standards while managing rush-hour workflow and maintaining a positive team atmosphere.
- De-escalate customer concerns by listening empathetically, offering clear and reasonable solutions, and maintaining a positive guest experience during high-stress situations.
- Manage cash register operations, balance daily transactions, and ensure smooth closing procedures.

PROJECTS

Portfolio Website | | *HTML, CSS, JavaScript, React.js, Figma, FigmaMotion*

- Designed a **high-fidelity portfolio prototype** in **Figma** to communicate personal branding, technical skills, and project experience & designed digital, animated assets with **Figma** and **Figma Motion**.
- Translated a high-fidelity prototype into a **responsive, single-page application** built with **React.js** and **React Router**.
- Built reusable **React components** for site navigation, project cards, and the site footer to create a modular and maintainable website architecture.

Pengo | | *Figma, FigmaMake, Clip Studio Paint, Procreate*

- Worked in a **4-person team** to build an **app interface** that utilizes audio and visual input with **Figma** and **FigmaMake** to **identify** causes of the sense of sensory discomfort in young children who cannot verbally communicate distress and **regulate** a negative sensory experience through guided breathing exercises, short sensory friendly games, and calming quiet activities.
- Created **low-fidelity prototypes** to establish core user flows, screen structure, and interaction patterns.
- Assisted in conversion of **low-fidelity prototypes** to **high-fidelity prototypes** while refining app layout and navigation.
- Collaborated closely with teammates to design **visual assets** that were cohesive and ensured visuals accurately aligned with target audience.
