Lake Sumter State College — South Lake, FL
Associates of Arts in General Studies, 3.9 GPA — *August 2023 - May 2025*

Experience

Website Developer — Sept. 2026 – Present
Knights Design Interactive — *Orlando, FL*
- Work in a **6-person team** to build a design system, low-fidelity prototypes, and high-fidelity prototypes using **Figma** in collaboration with multiple teams to maintain consistent branding.
- Translate user flow documentation into a high-fidelity prototype that guides users through a student organization website.
- Converted high-fidelity prototypes into functional **React.js** and **TypeScript** code managed with **Git** for version control.

Marketing Officer — Aug. 2026 – Present
Knights Design Interactive — *Orlando, FL*
- Work in a **3-person team** to manage social media presence across various platforms including **Instagram** and **Linkedin** to promote events, initiatives, and organizational updates.
- Design promotional materials and digital content using **Canva**, **Figma**, and **Adobe After Effects** to increase awareness and engagement, with a **51.4%** increase in followers on Instagram.
- Collaborate **cross-functionally** with multiple teams to develop and execute marketing campaigns and promotional initiatives on a consistent schedule.

Workshop Director — Mar. 2026 – Aug. 2026
Digital Innovation Group at UCF — *Orlando, FL*
- Organized and directed **hands-on**, **interactive workshops** about various digital media technologies with **27% member attendance**.
- Created clear instructional materials and visual aids to simplify complex technological concepts that supported participant learning and engagement, with **60% of attendees** reporting they gained new knowledge from the workshop.
- Offered **personalized instruction** for attendees who need additional support in grasping the concepts taught.
- Managed **logistics**; including scheduling, communication, and setup to ensure workshops ran efficiently and as scheduled.

Barista & Cashier — Aug. 2024 – Present
IDrink Boba & Sandwiches — *Minneola, FL*
- Deliver excellent customer service to customers in a high-volume environment by collaborating closely with coworkers to coordinate drink preparation.
- Maintain cleanliness standards while managing rush-hour workflow and sustaining a positive team atmosphere.
- Manage cash register operations, balance daily transactions, and ensure smooth closing procedures.

Projects

Pengo | | *Figma, FigmaMake, Clip Studio Paint, Procreate*
- Worked in a **4-person team** to build an **app interface** that utilizes audio and visual input with **Figma** and **FigmaMake**.
- Identify causes sensory discomfort in young children who cannot communicate distress and regulate a negative sensory experience through guided breathing exercises, short sensory friendly games, and calming quiet activities.
- Created **low-fidelity prototypes** to establish core user flows, screen structure, and interaction patterns and assisted in conversion of to **high-fidelity prototypes** while refining app layout, navigation, and branding.
- Collaborated closely with teammates to design **visual assets** that were cohesive and ensured visuals accurately aligned with target audience.

Portfolio Website | | *HTML, CSS, JavaScript, React.js, Figma, FigmaMotion*
- Designed a high-fidelity portfolio prototype to communicate personal branding, technical skills, and project experience with **Figma**.
- Utilized **Figma Motion** to design and animate custom digital assets including logos and graphics.
- Translated a high-fidelity prototype into a **responsive, single-page application** built with **React.js** and **React Router**.
- Built reusable components with **React** for site navigation, site content, and project cards to create a modular and maintainable website architecture.
